

ID#	Candidate Accused	Bylaw in Question	Brief Description	Points Issued	Official Statements
1	Ryan Marinquez	<i>1006-A-(1)-(i) POSTING</i>	ASUCD member submitted evidence accusing the candidate of breaking the UC Davis posting policy.	1	We issue 1 violation point. The evidence that was submitted proved that the posting policy had been broken. When we interviewed the candidate in question they informed us they weren't aware of the policy and didn't correct their mistake. There was clear evidence the posting policy was broken, which is why we came to the conclusion of issuing a violation point.
2	Michael Navarro	<i>1006-(A)-(2)-(i) ENDORSEMENTS</i>	ASUCD member submitted evidence of candidate claiming endorsement in private group chat without filling out endorsement form.	0	We issue no violation points. When interviewing the accuser they stated that they weren't completely sure of the validity of their accusation. Upon further investigation we determined there was no grounds to issue violation points for not filling out an endorsement form in the current bylaws.
